**About InterContinental® Singapore**

A luxury landmark set in the heart of a historic precinct, InterContinental Singapore is deeply rooted in the heritage of the arts and cultural districts of Bugis and Bras Basah. Positioned in proximity to established historical enclaves including Arab Street, Kampong Glam and Little India, InterContinental Singapore is also conveniently located next to Bugis Junction shopping complex, Singapore’s first glass-covered air-conditioned shopping street.

Drawing on the city’s rich heritage and multi-faceted cultures inspired by the surrounding locale, the 403-guestroom hotel exudes a residential charm that harmoniously marries luxury and elegance with hints of locality. Comprising a Main Tower that suitably blends heritage-inspired furnishings with modern-day comforts, and a Heritage Wing which is distinctly reflective of the Peranakan culture, all rooms and suites incorporate a touch of historic charm.
