

This Mid-Autumn Festival, InterContinental Singapore unveils a new collection of snow skin mooncakes crafted around classic Peranakan desserts, celebrating the hotel's rich heritage and deep-seated roots in the heart of the cultural precinct of Bugis.

Delicately crafted in the form of Man Fu Yuan's signature rose shape, the exclusive snow skin mooncakes feature heritage flavours including **Chendol**, comprising Gula Melaka with Red Bean, Coconut, and Pandan Jelly; **Pulut Hitam**, made of Dark Glutinous Rice with Candied Longan, and Coconut; **Durian Penganat** filled with Durian Cream, Gula Melaka, and Butterfly-pea; and Pandan and **Coconut Kaya**, featuring fragrant Pandan Kaya Jam, with a Coconut Kaya Jam centre.

For those with a penchant for traditional flavours, delight in our selection of six artisanal handcrafted mooncake varieties featuring luscious *red or white lotus paste with single or double yolks, macadamia nuts or assorted nuts.*
