## WELCOME EXPERIENCE

A luxury landmark set in the heart of a historic precinct, [InterContinental Singapore](#) is the flagship hotel of InterContinental Hotels Group (IHG®) and a Forbes Travel Guide rated hotel since 2013. The 403-guestroom hotel is deeply rooted in the heritage of the arts and cultural districts of Bugis and Bras Basah, and features inspirations drawn from the city's rich heritage and multi-faceted culture. The hotel décor encompasses an elegant blend of modern touches with subtle Peranakan undertones representative of the colourful two- and three-story shophouses, once home to a multi-ethnic community of settlers known as Bugis from Indonesia.

## Airport Limousine with Meet-And-Greet Service

Guests staying in the Executive, Royal, Ambassador and Presidential Suites will be welcomed by a hotel ambassador on arrival at the airport. The ambassador will assist guests with their luggage and airport procedures before guiding them to a comfortable journey in the dedicated limousine with in-vehicle services including refreshing chilled bottled water and wet towels, and complimentary wireless connectivity and newspapers. Guests can also browse hotel information on a tablet and make dining arrangements with the personal chauffeur after referring to the in-room dining menu. The same experience can be arranged for all hotel guests at a nominal fee.

## Concierge Lounge

The Concierge Lounge in the hotel lobby is inspired by the living room of a Peranakan home and fitted with a collection of exquisite display items that are specially selected to capture the essence of the locale. It is a cosy space for guests to rest while waiting for their vehicles to arrive.
